Hello and welcome to the 61st ICYPAA in Boston!

We are grateful and humbled that you are here to celebrate sobriety with us! Your Host Committee has been working tirelessly over the last several years to plan an ICYPAA that you will never forget. We have panelists from all over the globe sharing their experience, strength and hope on our common solution. We have members of the General Service Board, Grapevine editors, YPAA advisory councils, Area Delegates, DCMs, GSRs, appointed committee members and various other members participating in workshops that will both update us on the happenings in our Fellowship as well as collect input and feedback from all of you. We have our bidders, the life-blood of ICYPAA, who have worked all year to spread the excitement of ICYPAA! We have exciting and new entertainment that we hope will enhance everyone’s celebration this weekend. We hope you have a chance to enjoy as much of ICYPAA as you can fit into the weekend!

We ask a few simple things:

1. Keep an eye out for the newcomer or the person at their first YPAA or ICYPAA who may be a little overwhelmed. Bring them into your circle. Invite them to tag along. As with any group, the newcomer is our most important person.

2. Our hotel this year has a lot of common space open to the general public. Please keep in mind that everyone here is a representative of Alcoholics Anonymous and we might be the only copy of a Big Book someone ever sees.

3. Bring the excitement back home! We hope that when you leave the 61st ICYPAA having experienced a PSYCHIC CHANGE, you are able to return home with even more excitement and passion for our amazing fellowship.

If you have any questions throughout the weekend, your host committee is here to help.

Thank you for letting us be of service,

The 61st ICYPAA Host Committee
"After they have succumbed to the desire again, as so many do, and the phenomenon of craving develops, they pass through the well-known stages of a spree, emerging remorseful, with a firm resolution not to drink again. This is repeated over and over, and unless this person can experience an entire psychic change there is very little hope of his recovery.

On the other hand - and strange as this may seem to those who do not understand - once a psychic change has occurred, the very same person who seemed doomed, who had so many problems he despaired of ever solving them, suddenly finds himself easily able to control his desire for alcohol, the only effort necessary being that required to follow a few simple rules."
WHAT IS ICYPAA?

THE INTERNATIONAL CONFERENCE OF YOUNG PEOPLE IN ALCOHOLICS ANONYMOUS:

Young People’s Groups in Alcoholics Anonymous began appearing around 1945 in Los Angeles, Cleveland and Philadelphia and now they can be found all across North America. In 1958 a meeting began with young AA’s from across the U.S. and Canada. This meetings is now known as the International Conference of Young People in Alcoholics Anonymous (ICYPAA). At the 1960 AA Convention, Bill W. noted that the age of new members was much lower than when he and Dr. Bob founded AA 25 years earlier. In a letter to ICYPAA dated June 15th 1969, Bill wrote “… in recent years I have found nothing for greater inspiration than the knowledge that AA of tomorrow will be safe, and certainly magnificent, in the keeping of you who are the younger generation of AA today.” ICYPAA was founded for the purpose of providing a setting for annual celebration of sobriety among young people in AA.

Since its inception many attendees who at first would not consider themselves “young people”, have become members. The number of young people suffering from alcoholism who turn to AA for help is growing, and ICYPAA helps to carry the message of recovery to alcoholics of all ages. This conference provides an opportunity for young AA’s from all over the world to come together and share their experience, strength and hope as members of Alcoholics Anonymous. AA members who attend ICYPAA return home better prepared to receive young people who come to AA looking for a better way of life.

ICYPAA provides visible evidence that large numbers of young people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. The three legacies of AA, Recovery, Unity, and Service, are the backbone of ICYPAA. ICYPAA has a long history as a thriving AA conference. It regularly contributes to the AA General Service Office and the Area Service Structure in the local areas where it is held. ICYPAA and its attendees are committed to reaching out to the newcomer and often find involvement in other areas of AA service. ICYPAA participants are often found serving at the national, state, area, and group levels. Newcomers are shown by people their own age that applying AA principles to their daily lives and getting involved in AA service can have a significant impact on lasting sobriety.
ICYPAA FORUM

Q & A with Advisory Council - Friday 2PM-4PM in the Grand Ballroom: Salons A-F (Fourth Floor).

Modeled after the quarterly Regional Forums hosted by GSO, the ICYPAA Forum is an opportunity for ICYPAA attendees to help keep the Advisory Council accountable to those they serve most directly - you. Attendees may participate in a sharing session, ask any questions, and have them honestly and transparently answered. Questions/comments may be submitted in person, anonymously by basket, or via email to advisory@icypaa.org.

NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

THE INTERNATIONAL CONFERENCE OF YOUNG PEOPLE IN ALCOHOLICS ANONYMOUS, INC.

ICYPAA has a Non-Discrimination and Anti-Harassment policy. Discrimination and harassment of any kind will not be tolerated. If you see something suspicious or directly experience any illegal activity do not hesitate to contact the authorities, the hotel directly and/or a host committee member. Please be respectful to those around you, including hotel staff. As a registered attendee of the 61st ICYPAA, you agree to uphold this policy. ICYPAA's Non-Discrimination and Anti-Harassment Policy can be found in its entirety at www.icypaa.org/ndahp.pdf

RESPONSIBILITY STATEMENT

I am responsible.
When anyone, anywhere, reaches out for help,
I want the hand of AA always to be there.
And for that I am responsible.

ANONYMITY STATEMENT

There may be some here who are not familiar with our tradition of personal anonymity. The public relations policy is based on attraction rather than promotion. We need always maintain personal anonymity at the level of press, radio, and films. Therefore, we respectfully ask that no AA member be identified by full name, photographed, or videotaped in published or broadcast/social media reports of this meeting. We also encourage members of Alcoholics Anonymous who are concerned about their anonymity to “share in a general way” that cannot identify them from unique events of circumstances in their life.

1. WE ADMITTED WE WERE POWERLESS OVER ALCOHOL - THAT OUR LIVES HAD BECOME UNMANAGEABLE.

2. CAME TO BELIEVE THAT A POWER GREATER THAN OURSELVES COULD RESTORE US TO SANITY.

3. MADE A DECISION TO TURN OUR WILL AND OUR LIVES OVER TO THE CARE OF GOD AS WE UNDERSTOOD HIM.

4. MADE A SEARCHING AND FEARLESS MORAL INVENTORY OF OURSELVES.

5. ADMITTED TO GOD, TO OURSELVES, AND TO ANOTHER HUMAN BEING THE EXACT NATURE OF OUR WRONGS.

6. WERE ENTIRELY READY TO HAVE GOD REMOVE ALL THESE DEFECTS OF CHARACTER.

7. HUMBLY ASKED HIM TO REMOVE OUR SHORTCOMINGS.

8. MADE A LIST OF ALL PERSONS WE HAD HARMED, AND BECAME WILLING TO MAKE AMENDS TO THEM ALL.

9. MADE DIRECT AMENDS TO SUCH PEOPLE WHEREVER POSSIBLE, EXCEPT WHEN TO DO SO WOULD INJURE THEM OR OTHERS.

10. CONTINUED TO TAKE PERSONAL INVENTORY AND WHEN WE WERE WRONG PROMPTLY ADMITTED IT.

11. SOUGHT THROUGH PRAYER AND MEDITATION TO IMPROVE OUR CONSCIOUS CONTACT WITH GOD AS WE UNDERSTOOD HIM, PRAYING ONLY FOR KNOWLEDGE OF HIS WILL FOR US AND THE POWER TO CARRY THAT OUT.

12. HAVING HAD A SPIRITUAL AWAKENING AS THE RESULT OF THESE STEPS, WE TRIED TO CARRY THIS MESSAGE TO ALCOHOLICS, AND TO PRACTICE THESE PRINCIPLES IN ALL OUR AFFAIRS.
1. Our common welfare should come first; personal recovery depends upon A.A. unity.

2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

3. The only requirement for A.A. membership is a desire to stop drinking.

4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.

5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.

6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

7. Every A.A. group ought to be fully self-supporting, declining outside contributions.

8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.

11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
